SUMMARY

As a final-year BSc IT student, I have a solid foundation in statistics with a collaborative and team-oriented mindset. I'm working towards a career in data science, constantly improving my problem-solving skills. I am committed to keeping up-to-date with the latest data science and analytics trends and am keen to continue learning and growing in my field. My experience with Java projects demonstrates my ability to apply technical knowledge to practical situations.

EDUCATION

| | |
|---|--|
| MULUND COLLEGE OF COMMERCE Bachelor of Science , IT | Mumbai, Maharashtra Jun 2020 -Present |
| MAHARASHTRA STATE BOARD HSC (Science) Percentage: 60.92% | Mumbai, Maharashtra Jun 2019 - Mar 2020 |
| MAHARASHTRA STATE BOARD SSC Percentage: 85.80% | Mumbai, Maharashtra Jun 2017 - Mar 2018 |

PROJECTS

Online Examination System Project (Jan 2023 - May 2023)

- Developed an end-to-end Java web application for online exam management using J2EE .
- Key Technologies: Java, , JSP, Servlets, Hibernate Framework, HTML, CSS, JavaScript.
- Implemented user registration, exam creation, and question management features.
- Deployed on Apache Tomcat Server and used MySQL Workbench for database.
- Delivered a fully functional and user-friendly examination platform for students and administrators.

Java-Web-Email-Application (May 2022 - June 2022)

- Developed a Java-based email management system with Java, JSP, Servlets, and JDBC.
- Utilized HTML, CSS, and JavaScript for the front-end and MySQL Workbench for data storage.
- Deployed on Apache Tomcat Server, enabling user-friendly email communication.

TECHNICAL SKILLS

- Programming: Core Java and Advanced Java , SQL, Python, HTML ,CSS
- Framework: Hibernate
- Tools: MySQL Workbench, Eclipse, VS Code

COURSES

| | |
|---|----------------------|
| Java Developer from Quastech To build console based Java Applications, Database Applications, Web Applications using Servlet and JSP | Jan 2022 - Aug 2022 |
| SQL Certificate from Itvedant SQL Certified Associate Certification demonstrates your knowledge of basic SQL concepts, especially using it to work with the MySql Database server | Sept 2023 - Oct 2023 |

ADDITIONAL

- Languages: English, Hindi, Marathi
